

Visually Impaired (VI) Participants- Policy

Altra 13 Valleys Ultra is committed to inclusivity and accessibility for all participants. This policy outlines the provisions and guidelines in place to ensure a safe, enjoyable, and inclusive experience for visually impaired participants and their guides across all 13 Valleys Ultra events.

The course includes a variety of terrain and environments which may present different considerations for visually impaired participants at various stages of the event. We encourage anyone considering taking part to contact us at support@13valleys.org to discuss any aspect of the course, particularly where you may have access requirements. Our team will be happy to talk through individual needs, provide guidance, and explore how we can support you to have an accessible and enjoyable experience.
